Notice

**The MRRCS Christmas Party is
December 10th at 6:00 pm
At the Emerald Queen Casino**

Please see details from Burel Phillips on
last page of Newsletter.

Nominations were made at the November monthly meeting for the year 2012 officers. They are as follows.

President Tom Denney or Burel Phillips

Vice President Steve Mortenson or Tom Rannall

Treasurer Jack Perrizo

Secretary Jeff Irby

Executive Board (vote for two) Karl Hibbs, Roy Sowerby, and Larry Richards

Just as a reminder, the Field Marshal, Safety Officer, Registrar, newsletter editor and Training Coordinator are appointed by the President.

The out-going president is also an executive board member.

All members are urged to come to the December meeting and vote for the officers they want doing the club business for the up-coming year.

Just remember as in any election, **“If you don’t vote, don’t bitch”**

Members please attend our monthly meetings and have a chance to win a new Futaba radio system or a gallon of glow fuel. Also at every meeting we have our normal gourmet lunch provided by our Chef Mike Nagley.

Pfeiffer Field R/C News is published monthly (except October) by the Mount Rainier Radio Control Society. Items for publication should be received by the editor, Tom Denney, by the 25th of the month.

As newsletter editor I would like to start a new tradition. I want us to recognize a member of the year.

My pick for member of the year for 2011 is Mike Nagley.

Mike comes to every meeting, rain or shine and cooks for members at the meeting. I have not seen Mike fly an airplane this year but continually and loyally comes to all meetings, donates his time so we can have something to eat. I personally say "Thank you Mike"

Trivia Question for the month

Name this airplane?

I had 4 different people guess this aircraft
It is a 1946 Auster APO Mark 6

This is of course Doug Smith

Work Party

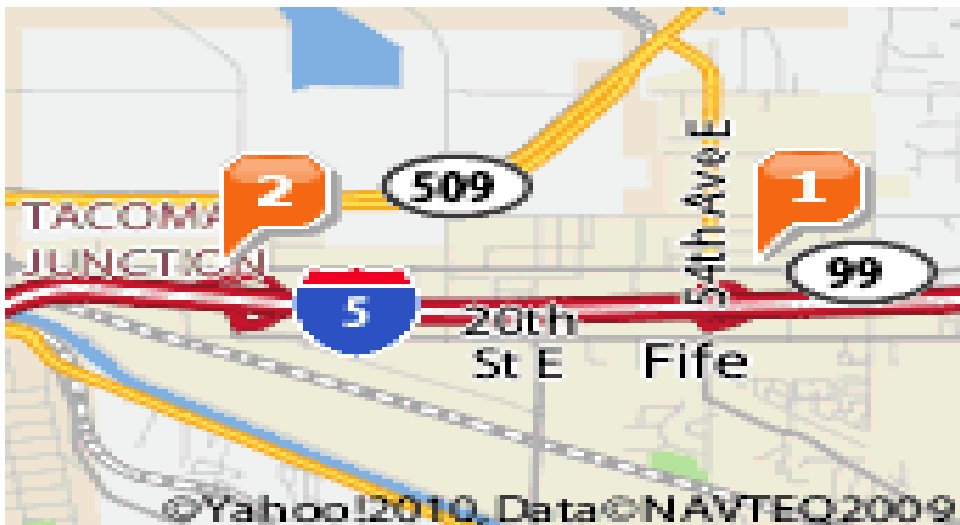

Field Marshal Karl Hibbs called a work party a couple weeks ago to finish the draining system before all of the rain started coming for the winter. Only 9 members came, 8 came to help with the work and one came for the free food after the work was finished for the day.

Work party's are not what they use to be, sorry to say.
